Download [Mac/Win]

A new Fantasy Action RPG from the people who created the original Tarnished Lands. For a limited time only, be the first to experience the game in the Hinterlands between the Vast Lands, before the final release! - Available for PS4™ (first) and PC. • Class System Create your own character and develop your character by freely combining weapons, armor, and magic. • Three-dimensional Artwork Elden Ring Download With Full Crack features 3D models and drawings, with a quality that matches the realism of the original game. • Asynchronous Character Action According to the state of the main scenario, Tarnished Lands acts differently than other RPGs. You can play your character on your own schedule, and even while you are offline you can still participate in the main scenario. • Large Scenario The area of the game is designed so that there are no load screens when traveling to different areas. The map size is as large as other RPG games, giving you the opportunity to enjoy the real atmosphere of adventure. • Customized Controls This game uses a new type of control system in which you do not have to press the analog stick or touch buttons to move the camera. The new controller adopts a simplified and intuitive design, letting you use the controller in your own way. • An Epic Story The main story centers around the current situation in which the world is in conflict, with the player becoming a key figure in the conflict. Download the latest demonstration version of the game to see how the system works. For a limited time only, you will receive a 4,000 gold finder (containing 1st-week EXP and 5,000 gold) and six additional extra items for free! You will be required to make a PSN ID (press the PS button once and go to the PS4 main menu. From there, select account, and follow the screen instructions. You can create a new ID, for example, with your name and your date of birth) and save your game data on a hard disk. You can start the game by saving the data through the PC version and loading the game data from a PS3 or PS4. You will be able to play the game with other players in multiplayer. You can chat with other players via the social network, and download the latest information about the game. You will be able to download mission files for creating a new game environment.

Elden Ring Features Key:

Deep and Varied Story with a Fabulous Design

A seemingly ordinary Tale of Days Awaken the Devoted Spirit of the Aged King Emerus and Indicate the End of the Era. By using your own feelings and thoughts, you can delve into the nine world maps of Elden Ring and build the story through an adventure of non-stop event processing, combat, and exploration of an epic scale.

Elden Ring is fantasy gaming at its best from the team that brought you the legendary Tales of the Abyss, Knights of the Blood Rose, and Bamboo Blade!

A Gifting World with Plenty to Discover and Cultivating Others" Awaits!

For the practical and generous game that cherished the spiritual world as a unique potion, enjoy with add-ons and costumes of your friends, who come from various incarnations. We are deeply grateful for their kind support.

A Beautiful World Seamlessly Combines Open Fields and Dungeon

A series of beautiful scenery, with a world map made of the variety of gorgeous architectural designs of the Greek mythology. You can encounter enemies, and the appearance of everything changes at every place, even just in the **Exterior**, which increases the challenge.

A Variety of Effective Challenges Awaits!

Many events happen in the various world maps, so that you can collect the power of the **Elden** (an amulet that lets you deeply enter a world with your accumulated power) and strengthen to become the heroes of the lands. To increase to a sufficient level, fighting monster battles, challenging traps, and defeating particularly skilled players in various types of battles are equally important.

Equip a Variety of Armor and Weapons of the Mythos
