Download FREE Astrovision Tamil Product Key or Crackrar.Q: Simplify Image Gallery in AS3 I'm creating an image gallery and I'm really new to AS3 (this is the first flex project I'm working on). What I'm trying to do is have a list of 7 images in a

frame and when you click the image, it switches to the next image in the list. I can do that now but I want to simplify it.

So I'm trying to make it simpler. I want to have a single image in a frame that changes to the next image in the list when clicked, and has a next & previous button to navigate through the images. What I have right now:

```
clickableStateList: [ { name: "clickableState1", tag: "img",  
    clicked: function() { var imageObj = new Image();
```
