not working I'm trying to modify the settings so that the validatePasswordChanged function will only run once after the user clicks the "save" button. I tried it in the code-behind but I'm not sure if it will have any effect on the submitbutton for it to work. Here is the code as it stands right now:

```
protected void Page_Load(object sender, EventArgs e) { if(!Page.IsPostBack) { if(!string.IsNullOrEmpty(Request.Form["NewPassword"])) validatePasswordChanged();
