The Soul of the World (US. This is the English translation for Japanese game Ryu ga Gotoku Ishin!. God Eater 2 Rage Burst (USA UNDUB) torrent reviews Kit Xtin(says: "the new game is way better")*** April 27, 2015 This is a good game for new players who are not all that familiar with action RPG's. It is like a mix between Fallout 4 & Dark Souls. The game is really fun to play and the story is quite good as well. However, the main problem this game has is that it is kind of short in game time. I would recommend trying this game, but I suggest not bothering with the DLC if you only have a few hours available per week. I have been waiting for this game to be released for the last couple of years since. This is a very good game. I recommend that people play it. UPDATE-Addition! February 21, 2016: This game has been released globally for the PS4 and Xbox ONE, so it is now a really good game if you like the genre. Easy to understand game mechanic, and the storyline is well done. I love playing this game and I cannot get enough of it. Would recommend it to anyone who likes the genre. WAIT FOR THIS GAME- Plenty of reviews from journalists before it was released. February 06, 2016 We all waited ages for the game to be released and it was worth the wait. I cannot get enough of this game and it has my full attention for the next three days. It's one of the best games I have played in a while. SOUL OF THE WORLD- Final Fantasy XV released after Soul of the World was released in Japan in December, 2015. February 02,
