Alcpt Form 1 To 100 122

alcpt form 1 to 100 122 isa1 I'm new to C# and ASP.NET and I'm using Visual Studio 2012 (for development and web applications) where I imported a project from Visual Studio 2010 in 2012. I also imported and added the DLLs. I created a project on VS 2010 and just imported the code that I will be using in the 2011 project. I created a file that contains this code. dd2bc28256
