## Manik Prabhu Charitra Pdf [HOT] Download

[Download](#)

after a few days, shri prabhu with the help of a few devoted associates lowered himself to the ground through the underground hole, completely relieved from his paralysis. then he called the kavachis (water-carriers) and asked them to dig out an enclosure where his mortal remains would be buried. the enclosure was near the stream flowing at the bottom of the gadi in front of the hut. it was filled with fresh water all the time. those who have watched some hill streams know well that it would flow and run all the time, even during the summer months when the mountain is covered with thick jungle. the time would be early dawn and in the evening after the day's work is done. the sun rays would be reflected on the surface of water in various ways making the stream seem like the petals of a flower blooming in the sea of light. the spot was chosen by shri prabhu well beyond the reach of ordinary mortals. it was in a part of the hill where the sounds of birds, the running water and breeze, the red flow of water stream, the ripening and bursting of corn, the roaring of rushing streams and the frothing of watery crests of waves, all would merge into the stillness of shri prabhu. it was the happy home of an cherished siddha murti. moreover, it was the favourite dwelling place of the devas. devas would come hither every day to see shri prabhu and also to indulge in spiritual discourse with him. they would thus draw down the celestial lajja

---

(worldly affections) from shri prabhu, and cause him many kinds of material enjoyments. to be able to eat the food offered to him by these heavenly beings, the earthly mortals also pour libations of nectar on the spot. this is why the spot was called snana vaha (nectar spot).
