What's New in the KGB 039;secrets (MUCE)?

Gulf Wars 2 is a completely new turn-based strategy game. It was developed by DynaGames for PC, using the Littech 3D engine. The objective of the game is to capture, defend, and control the strategic oil facilities scattered around the Persian Gulf. Now you can re-enact the Gulf Wars between 1991 and 2000! Features: 2 games modes Rich graphic environment Simple gameplay Several different maps Watch your enemies, or drive them to destroy their own bases High level of depth Stylish, full-color 3D graphics Choose your units or let them move automatically 4 different units 9 different units Use powerups to gain advantage Up to 6 opponents Harder than a rock Limitations: No online mode No microphone voice recognition No fast-forward option Only Windows 95 or better is supported The game is about 2.6Mb in size Description: What's in your hand? The answer is 'it depends'. When you are playing the 'Stuck in Time' game, the object is to be the first player to solve the crossword puzzle and the maze. But what's in your hand? That's for you to decide. You can get a number of different items from the box, each with a different purpose. So you have to be very careful to make the right choices. Home: Description: Tetris, the world-famous game. The player (you) has to put together the colored pieces of the board in the fastest and correct way. Each board consists of 16 rows and 8 columns. Home: Description: Centris, a 3D strategy game. Game duration: about 10 minutes. The player (you) commands a small-sized army and battles his enemies (nations, computer controlled). The player has to conquer the world, exterminate the enemy and prepare for new battles. Home: Description: The game has two modes: Single game Scoreboard mode (Save / Load) No online play Hand control is via the mouse and keyboard. Hand
